

Company Values

1. **Integrity:** We commit to honesty and transparency in all our dealings. We expect the same level of integrity from our customers.

2. **Quality:** We strive to deliver the highest quality workmanship in every project. We ask our customers to appreciate and respect the effort and care we put into our work.

3. **Respect:** We treat our customers, their property, and our team members with respect at all times. We expect our customers to do the same.

4. **Punctuality:** We value punctuality and aim to complete projects within the agreed timeline. We ask our customers to adhere to scheduled appointments and notify us of any changes in advance.

5. **Communication:** Open and clear communication is key to a successful project. We encourage our customers to communicate any concerns or changes promptly so we can address them effectively.

6. **Safety:** We prioritize safety in all our operations. We expect our customers to maintain a safe environment and inform us of any potential hazards.

7. **Responsibility:** We take responsibility for our work and actions. We ask our customers to take responsibility for their commitments and any impacts their actions may have on the project.

8. **Collaboration:** We believe in working collaboratively with our customers to achieve the best results. We value customer input and feedback throughout the project.
